Melanie should use the [media@amlbitcoin.com](mailto:media@amlbitcoin.com) email. First make sure to change that email address from the PayPal account and put in the admin email address. Or you can just give her the [press@amlbitcoin.com](mailto:press@amlbitcoin.com) email.

Also, we have already spoke about this but what we spoke about does not reflect the changes on the pr.

Please get Melanie and NAC Skype and let's form a group Skype between us all. Also make sure Travis has an NAC Skype as well.

Ask Melanie if she knows or remembers the login name or the login email for PR Newswire.

Thanks,

Marcus

Melanie made some minor changes.

Please review.

Melanie says we have a PR News Wire account and will need access, do you have those credentials?

They are not on the passwords Melissa provided.

Hi Bernadette,

Here is the edited press release. Please forward to Marcus to give it another once over before sending it out. I am going to look into PR Newswire and Businesswire in the meantime so we can send it off once approved.

Best,  
Melanie
